EXPERIENCE

- May 2015 - pres.
- COMMERCE BANK CREATIVE SOLUTIONS GROUP**
Senior Graphic Designer • Kansas City, Mo.
 - Creator of visual design solutions, from concept to completion, in print or digital platforms for internal and external communications programs and projects including development, revisions and production of creative output
 - Ensures creative output meets the business requirements, message and functions successfully for brand, technical and performance specifications; ensures that all brand guidelines and internal/external quality standards are met for each assignment
 - Communicates and coordinates with clients, develops initial creative concepts and expands on them through internal and client-based feedback throughout the production process
 - Manages assignments and time while working on multiple projects at once, being aware of priorities and deadlines; ensures all assigned projects are completed in a cost-efficient manner by the assigned deadline
 - Actively participates in creative meetings and collaborates with other designers, creatives and external vendors
 - Assists in department traffic and project management as needed; assists in the onboarding and mentoring of creative interns and freelancers
 - DECADA GROUP**
Graphic Designer • Salt Lake City, Utah
Contracted freelance designer working on all small businesses in the Decada Group portfolio, including:
 - Tailor Cooperative (custom suits and fine clothing)
 - Workshop SLC (fine arts studio)
 - Built By Design Construction
 - Northern Electric Company
